Remarks

In response to Examiner Andrew Yang's request during the phone conference held with Applicants' representative on March 12, 2010, Applicants submit the attached replacement drawings under 37 C.F.R. 1.312 and before the payment of Issue Fee. The replacement drawings are being submitted under 37 C.F.R. 1.312 because the drawings filed on September 25, 2006, were never entered by the U.S. Patent & Trademark Office (USPTO). Applicants note that the USPTO has not yet issued a Notice informing Applicants that the drawings filed on September 25, 2006, have not been entered. Applicants are submitting the replacement drawings under 37 C.F.R. 1.312 as requested by Examiner Andrew Yang over the phone. Applicants respectfully submit that this amendment does not introduce prohibited new matter.

In view of the foregoing, Applicants respectfully request entry of the replacement drawings. Should the Examiner feel that there are any issues outstanding after consideration of this amendment, he is requested to contact the Applicants' undersigned representative.

If there are any additional fees due in connection with the filing of this amendment, please charge the fees to our Deposit Account No. 50-0310. If a fee is required for an extension of time under 37 C.F.R. §1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,
